Day 3: Umabian – Jatiluwih – Bedugul – Munduk (B/L/D)

Breakfast and check out.

Continue your discovery of Bali with a visit to the rice fields of Jatiluwih Bali classified UNESCO where you can enjoy the magnificent panoramic view. Located on a slope near the holy mountain of Batukaru, this area is known as Bali's rice granary and one of the best examples of subak style rice cultivation in Bali. You will leave for an hour of walk through the rice fields.

Then drive to Lake Bratan where you will stop to visit one of the most photogenic temples, Ulun Danu, dedicated to the water goddess. It is located in the middle of the calm waters of the lake on a small piece of land, reflecting and giving the impression that it "floats". Lunch is served at a local restaurant near Bedugul at the Strawberry Hill Hotel.

You will then take small roads in the hills to reach an extraordinary point of view on the two lakes: Buyan and Tamblingan. Short photo break before going down to the beautiful region of Munduk in North Bali. Check in Munduk for Check In. The rest of the day is free at leisure.

Dinner is served at the hotel. Overnight in Munduk.

Day 4: Munduk – Trekking – Seririt – Banjar – Lovina Beach (B/L/D)

Breakfast.

Munduk is the perfect place for outdoor activities. You will have the opportunity this morning to explore this region with a walk. Munduk is surrounded by rainforest with impressive waterfalls and lush vegetation. Thanks to its temperate climate (20–25 C), many fruits, vegetables and spices grow in this region. The hike starts from your hotel and will take you through many plantations such as vanilla plantation, coffee, cloves, avocados, etc. You will see how they are grown and harvested.

After having had time to cool off, check out your hotel and continue to the north coast of Bali Lunch at Kali Manik eco Resort located near the beach of Kalisada.

In the afternoon, continue along the northern coast of Bali making stops between Seririt and Lovina to explore Bhrama Arama Vihara, the only Buddhist monastery in Bali with breathtaking views of the north coast of Bali. You will also make a stop at Banjar hot springs for a relaxing moment in the hot springs. Check in at the hotel and late afternoon free at leisure.

Dinner and overnight stay at your hotel.
Day 5: Lovina – Beji Temple – Mt Batur – Besakih – Sidemen  (B/L/-)

Breakfast.

Continue your journey along the north coast of Bali through Singaraja, the northern capital of Bali to the small village of Sangsit at the Buleleng Regency to visit the Beji Temple. Pura Beji is a temple of Subak, dedicated to the mind that deals with the fields of irrigation and rice. Built in the 15th century, the temple is famous for its beautiful sculptures and is an excellent example of the colorful architectural style of North Bali.

Continue on a remote mountain road, connecting the small coastal village of Kubutambahan on the north coast of Kintamani, a volcanic area where Mt Batur stands with its breathtaking views. Near the volcano is the large Batur Lake crescent-shaped, all surrounded by the high walls of the crater rim.

Upon arrival in Kintamani, you will enjoy the spectacular panoramic view. Although Mount Batur (1412m) is not the highest, it is the most active and is surrounded by an impressive crater 13km in diameter. Lunch is served in a local restaurant that offers a magnificent view of Lake Batur.

Your day continues to the famous Besakih Temple, called the "Mother Temple of Bali". Located on the slopes of Mount Agung, Bali’s highest volcano (2567 m), Besakih is the largest and most important temple on the island.

You will then reach the small village of Sidemen. This afternoon, check in at your hotel. Overnight in Sidemen.

Day 6: Sidemen – Bali Countryside – Tirta Gangga – Amed (B/L/-)

Breakfast and check out.

Full day excursion in the heart of a village of Sidemen: Immersion in the local culture. You will first visit traditional weavers in a village in the Sidemen Valley that is famous for this activity and where many houses have a loom! You will then go to the village school. A good way to learn a few words of Balinese! Then exchange the roles and introduce the students to the French language! It is also an opportunity to directly help an establishment that will always appreciate having a little more equipment. Departure for an easy hike of about 1 hour in the heart of the beautiful rice fields of Sidemen. At the beginning of the course, each participant will be loaned a bamboo stick and a conical hat. We take the paths of the peasants to admire the rice fields of the region.
